- ✓ Our quality control is exhaustive.
- ✓ Vegetables are exported in compliance with the requirements of the EUROPEAN UNION (according to the free trade agreement between CENTRAL AMERICA - EUROPEAN UNION).
- ✓ We comply with the quality requirements imposed by the FDA of the UNITED STATES OF NORTH AMERICA (according to the CAFTA-RD agreement).
- ✓ Vegetables are transported fresh at a temperature of 4-8 degrees Celsius.
- ✓ Vegetables have an 8-day shelf life by returning to room temperature.
- ✓ We can make containers with mixed cargo for the convenience of our clients.
- ✓ This means that products of various different types can be included in a container. (Eddo, yucca, taro...)
